

# North Adams Public Library Brick Paver Fundraiser

The North Adams Public Library is not only a beloved historic site; it is the heart of our community. The building's architectural grandeur is a stately reminder of North Adams' rich and storied past.

As much as the building's history is honored, the library establishment is looking to the future and the legacy that will be left to our youth and the community.

In keeping with this goal, the North Adams Public Library will once again offer the

purchase of brick pavers (\$ 150.00 ea.) which can be engraved in memory or in honor of whomever the buyer wishes. This installation will enclose the library with community support as the brick pavers line the property along the black wrought iron fence surrounding the Church Street and East Main Street sides of the building. Completion of the

installation will be an excellent visual demonstration of the community's support for the library.

If you have any questions, please feel free to call on the library to answer your questions at (413) 662-3133. Forms are available at the library or can be emailed or mailed to you upon request. Thank you for supporting the library.
